- Scholarships awarded previously in memory of Langley teachers will continue to be presented in their name.
- Scholarships are available for students for up to two years if the student chooses to take a gap year after high school. Students must provide proof of registration in a post secondary program in September 2018 or 2019 or January 2019 or 2020 in the years following their scholarship award, and then a cheque will be provided to each scholarship winner.
